

A bride with blonde hair, wearing a white lace wedding dress and a long veil, is shown in profile, smiling and looking out of a large, multi-paned window. She is holding a large bouquet of white and yellow flowers. The image has a warm, soft, and slightly faded aesthetic.

A LITTLE ABOUT ME

Outside of work im just a girly girl who loves abba, a spicy margarita, a old good sing song, dogs, clothes shopping and curry takeaway!

Ive always been obsessed with makeup, its all i ever used to ask for at christmas and birthdays! as well as bridal glam, i also am a fully qualified beautician.

I'm also a fellow 2027 bride (eeekkk!!), so i know how important all the vendors are when securing yours for your big day- I'm also here for a good old natter about it all if you need to offload!

Bridal makeup is a true honour, responsibility and creative addiction all in one- its where im happiest and DEFINITELY where im suppose to be.

Love Soph xx

THE SVB *Signature Style*

Bridal makeup is all about what YOU want for your day, we can tailor any makeup look to suit your needs and vision.

I get asked a lot what is popular- my signature style is soft, glowy skin paired with a subtle nude shimmer eye and a glossy pinky/nude lip. You really cant go wrong with this, it photographs beautifully and you'll look like a princess !!

CARLY HICKEY

"Having Sophie with us on the morning of the wedding was like having an extra Bridesmaid. Nothing was too much trouble for Sophie and she went beyond my expectations for a Makeup Artist. Not only did she do the most beautiful, natural makeup for us all, she took videos, photos, helped with sticking my necklace down and made sure I got any extra videos I wanted from the videographer. I had never had professional makeup but I was able to have a couple of trials with Sophie to work out that look we were going to go for on the wedding day and I was very pleased with the outcome. Soph arrived early on the day and stayed right up until the very end when we left for the venue to make sure everything was perfect. I would recommend Sophie to any bride looking for a meticulous makeup artist. She will NOT disappoint! I will be forever grateful to have had her there on our special day. Sophie also did my nails and my hen makeup, she is a perfectionist and made sure my nails were perfect!"

"All I can say is WOW! We were so pampered and looked after on the day! Sophie really took the time in my trial to understand my skin type and what kind of make up would be best suited to me, meaning on my wedding day my make up was perfect for me! In Every single photo that was taken from the moment I left the house to the last ones in the evening my make up looked as if it had been done 5 minutes before. She also took the time to get to know my bridesmaids and really create the vision we had for them all! she palletted their eye shadows and colours to match their dresses perfectly!

I can't thank Sophie enough for making me feel so special and so beautiful. I would recommend her 1 Million times to anyone who is looking for not only wedding make up, but any events you have coming up! I definitely will be xx

OTHER TREATMENTS

As well as a bridal makeup artist, i am also a fully qualified beautician.

many of my brides also opt to have other treatments done with me in the lead up to the wedding. this way we get to spend more time getting to know each other and countdown to big day together!

This is of course completely optional, just for your information x

Eyelashes

I have been creating lash extension sets since 2017. I specialise in soft, light and wispy sets- nothing heavy or blocky over here!

Lash extensions are a great option for those brides who don't want to worry about their strip lashes moving, or if you're going straight on honeymoon!

Lash extensions can be tailored specifically to each client- there is no one size fits all when it comes to lashes. We can vary in length, thickness and curl to suit you.

Biab Nails

BIAB nails stand for 'Builder in a bottle' and are basically a harder gel.

They are applied straight onto the natural nail and will help strengthen your natural nails while no extensions are applied.

BIAB is a journey, most clients reach their preferred length and shape after 2-3 sets. BIAB can last up to 6 weeks before needing an infill, but 4 weeks is recommended.

Gel colours and designs can be added on top to create your desired look.

LVL lashes

LVL lashes are also known as a Lash Lift. LVL was created by the brand Nouveau Lashes, leaders and creators of the lash lift, standing for length volume lift.

LVL uses all your own natural lashes to straighten and then curl them into a lifted position where they'll sit for 6-8 weeks. Finished off with a tint to keep them looking dark and beautiful!

LVL is my favourite!! Perfect for low maintenance, can still wear mascara or strip lashes on top too- making it perfect for your wedding day.

Eyebrows

I have been trained in eyebrows since 2017 and loveeeee doing them!!

Brows make such a big difference to someones overall apperance and I feel like I have mastered my signature brow.

From Highly defined brows to Wax to Tint- we can create your dream brow together.

My brow clients are so loyal and always say they would never trust anybody else with their brows now.

My client pictured also has LVL with me.

FAQ'S

HOW MANY YEARS EXPERIENCE DO YOU HAVE?

I have been a professional makeup artist since 2019.

Since then I have many weddings under my belt and lots of experience working with a range of brides.

I have also been the lead makeup artist on the TV show 'The Heritage Chart Show'.

DO YOU TRAVEL ABROAD?

Yes absolutely!

I would love to travel abroad with you for your destination wedding!

Pricing for this is slightly different, so please message for more information regarding destination weddings.

WHAT TIME DO YOU STAY UNTIL?

I will not leave until after you leave to walk down the aisle.

Tears are likely, smudges occur, mistakes happen- I've seen it all!

So i don't leave until youve left to get married, thats all included in your price.

WHO ARE YOUR ASSISTANTS?

I have a team of specially selected artists that complement my style of makeup.

I would only bring the best artist to work with me, and im happy to share with you who it will be once booking is completed.

HOW MANY MAKEUP'S CAN YOU FIT IN?

This all depends on the time the ceremony starts, if you're getting ready at your venue, what time we can access the venue by and many more factors.

My maximum is usually 6, but I have done more before.

During your quote I will let you know if I can fit your whole party in, or if I will require an assistant.

DO I NEED TO FEED YOU IN THE MORNING?

No, absolutely not!!

I know some vendors will require food, but I absolutely do not need or expect food!

I will be prepped and ready to go from the moment I arrive at your venue.

WHAT SET UP DO YOU REQUIRE?

A tall chair would be amazing (something similar to a bar stool), but if this isnt available any chair is perfect!

A small table or side would be ideal just so I can lay out my kit and make things smoother during the application. Near any natural light (windows, doors etc) would be a great place to position me.

WHAT TIME WILL YOU ARRIVE?

This all depends on what time your ceremony starts and how many are requiring makeup.

I can get to you as early as we need, if venue is a substantial distance from my home in Surrey and we require an early start I may need accomodation for the night before- this is very rare but I will be able to decide this when I have all your details of the wedding.

WHEN IS BEST TO HAVE MY TRIAL?

I always recommend around 3 months before the wedding day is a perfect time. This way you will look quite similar to how you will on your day and I can plan everything out accordingly. Brides trials are mandatory so we can get to know each other and take away the stress from the morning. Bridesmaid and mother of the bride trials are totally your choice. All trials will take place at my studio in Epsom, Surrey,

WHEN IS MY BOOKING CONFIRMED?

Once you have received your quote back and are happy, I require a £100 non refundable deposit to secure your date. Once this has been received by me, I will confirm your date is set! Booking fees are non refundable and non transferable. If you change your date, you will need to pay a new booking fee.
